# EPSON

It's happening already!

# EPSON

# Setup & Migration

Selected platforms and contents for PoC #2 in Senegal,  
in French language:

EPSON

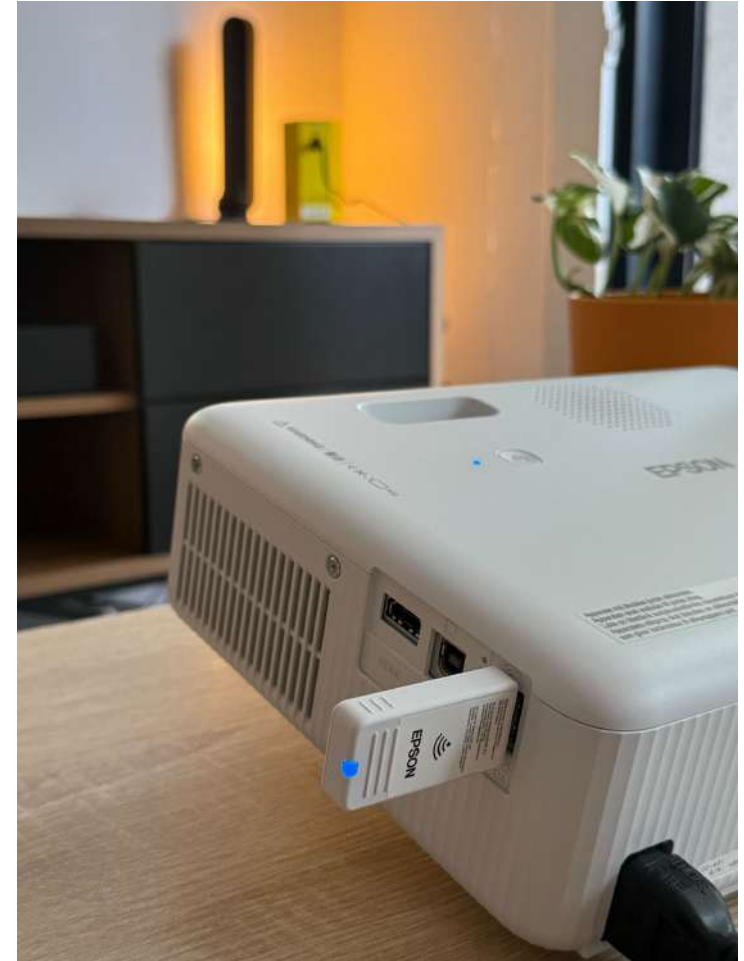

On a second stage, after  
discussions and approval of the  
Senegal Government reps.

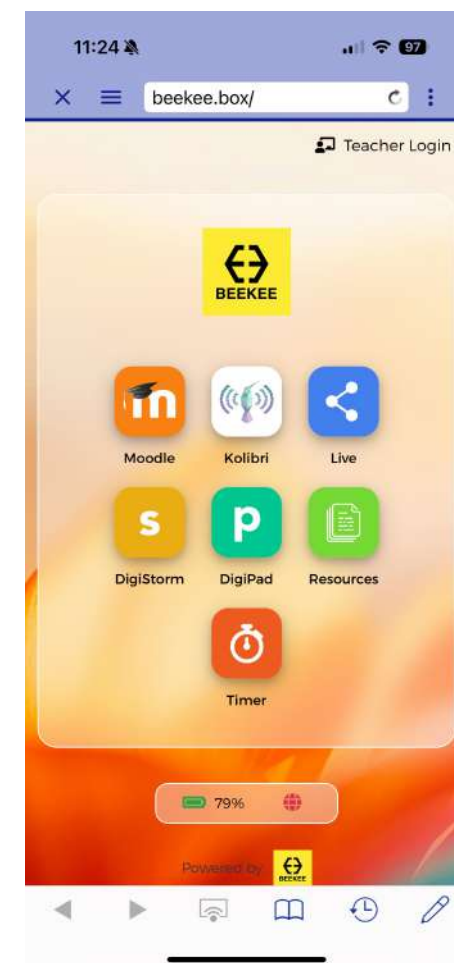

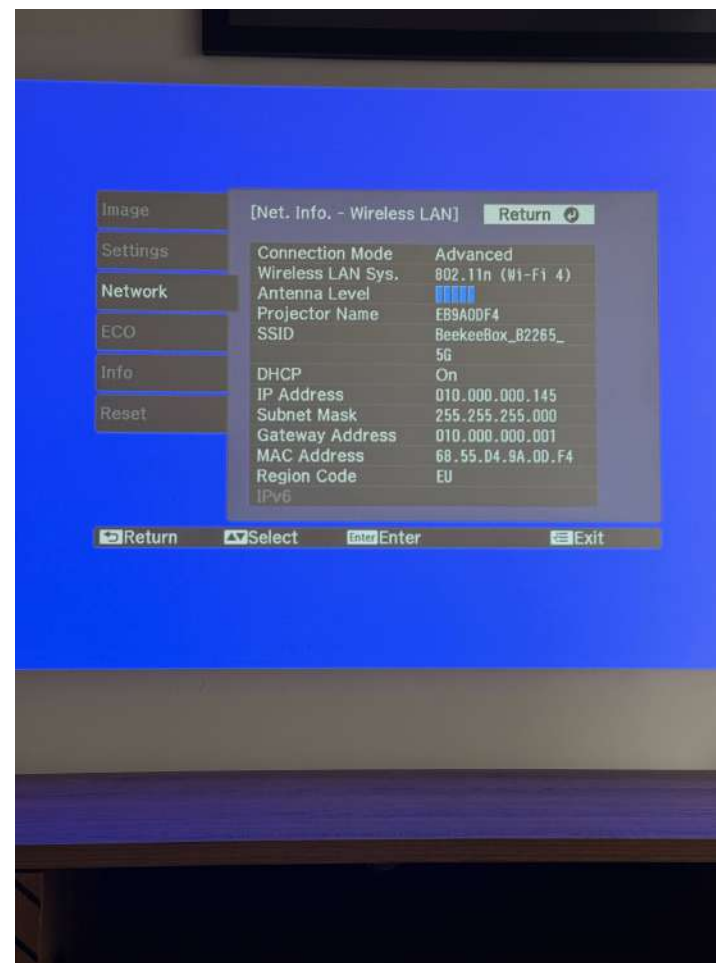

SENPROF

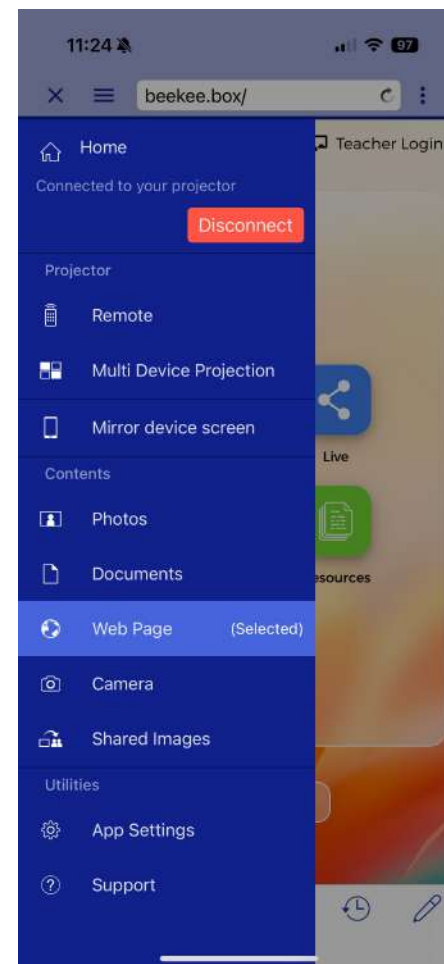

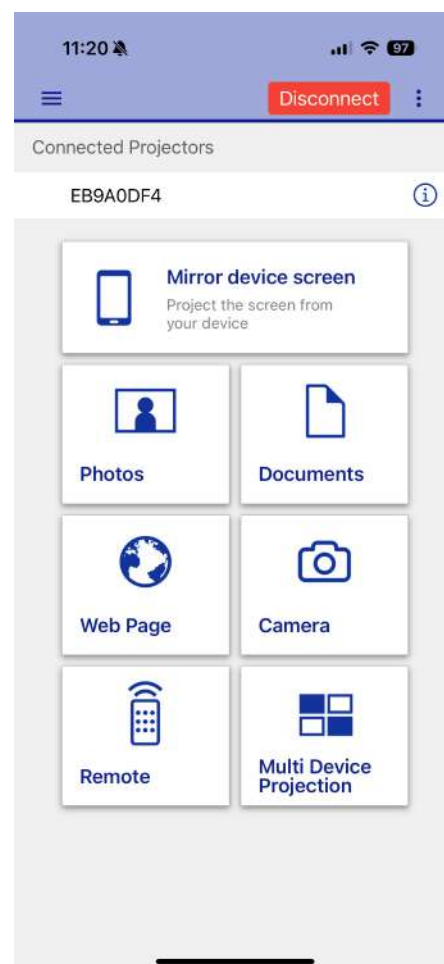

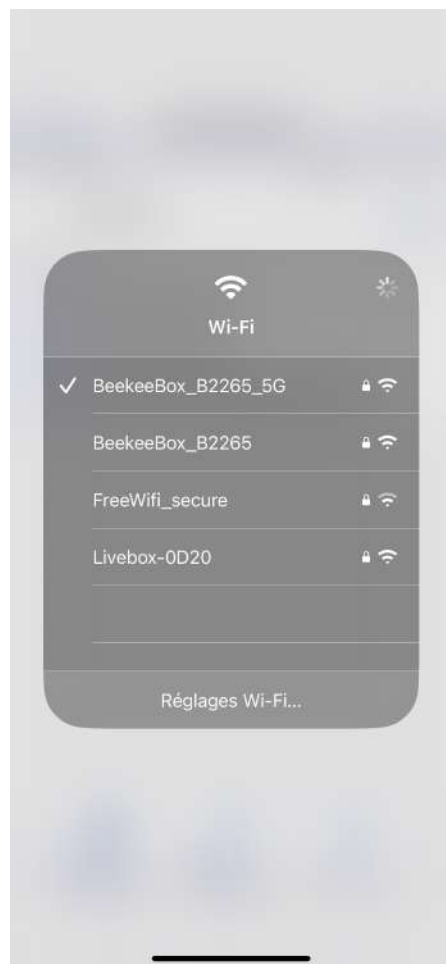

## Setup

1. Connect the both projector and the smartphone to the Beekee Wi-Fi.
2. Launch the EPSON iProjection app from the smartphone.
3. That's it 👍 use the app as usual.
